LINCOLN PREPARATORY ACADEMY
GENERAL SUPPLY LIST
2019-20 SCHOOL YEAR

The general supply list applies to students in grades 6-12. While not comprehensive, this list does include the majority of supplies necessary for the year. Students will be given directions from teachers regarding supplies specific to their individual classes if applicable. This list is in addition to the grade level supply list that includes items specific to your student’s grade level. Optional items should be free from pop culture references, but otherwise can be any color or design.

Lockers assignments will be distributed when students get their class schedules at Meet the Teacher Night. The interior of the lockers measure 14 3/4 across by 16 1/2 inches deep. These measurements can be used if purchasing locker shelving or roller backpacks to determine what will fit inside.

Quantities as needed throughout the school year:
- Black or blue pens
- Pencils
- Red pens
- Dry erase markers
- Highlighters
- Lined paper (7th – 12th should purchase College Ruled)
- 3x5 note cards (about 300; should be kept at home)
- Manuscript paper (example here)
- 18” ruler with inches and centimeters

Optional but recommended materials, each labeled with your student’s name:
- Backpack
- Lunchbox
- Pencil pouch
- Water bottle

Throughout the year, classrooms find themselves in need of the items below. These are optional items to purchase that would be donated to the classrooms. Items that would be helpful for general classroom usage include:

Facial tissues
- Hand sanitizer
- Dry erase markers and erasers
- Disinfecting wipes
The grade specific supply list includes items your student will need based on their grade level. This is in addition to the general supplies. Historically, LPA has allowed you to purchase the recorder and music book through our Payment Portal and we would supply the items to your student in music class. This year, please note the recorder and music book are purchased on your own as a part of the supplies listed below. If your student already has their recorder there is no need to purchase an additional recorder as the same one will be used through the entirety of their middle schooling.
