# NEW FAMILY NEWSLETTER

## HOUSE SYSTEM

Lincoln students are divided into four houses. Each house has its own color, virtue, crest, and motto. Students are assigned houses when they enroll and remain until graduation. Students team up with their fellow house members of all grade levels throughout the year in athletic, artistic, and scholarly competitions to win points. Some of these competitions include our semester field days, quarterly coffeehouse/ open-mic evenings, weekly house shirt days, riddle competitions, and more! Our house system is designed to foster community, promote healthy competition, and encourage joy and creativity at school.

Will your student be selected to join House Aries, Equus, Leo, or Ursus?!
