TAKE THE CREDIT! IT'S A WIN-WIN!

If you haven't made your AZ Public School Tax Credit to another school, we'd love you to make it to our school!

Designating your Public School Tax Credit to Lincoln Prep means that you can redirect your tax dollars to our school, rather than giving them directly to the state. If you pay state taxes, this is truly a no-cost program and a win for our students. Designate \$200 if you file single or \$400 if you file married.
