

## GENERAL SUPPLY LIST 2023-2024

The general supply list applies to all Prep students. While not comprehensive, this list does include most supplies necessary for the year. Students will be given directions from teachers regarding supplies specific to their individual classes if applicable. This list is in addition to the grade level supply list that includes items specific to your student's grade level. All items should be free from pop culture references, but otherwise can be any color or design. We encourage you to label everything with names.

Locker assignments will be distributed when students get their class schedules at the **Meet the Teacher** event in early August. The interior of the lockers measures 14 3/4 across by 16 1/2 inches deep. These measurements can be used if purchasing locker shelving or roller backpacks to determine what will fit inside.

PLEASE LABEL ITEMS WITH STUDENT NAMES. It increases the likelihood of a lost item being reunited with its owner.

As needed throughout the school year:

- Numeric or Letter lock for locker (no key locks)
- Black or blue pens
- #2 Pencils
- Dry erase markers
- Highlighters
- Lined paper (7<sup>th</sup> – 12<sup>th</sup> should purchase College Ruled)
- 3x5 note cards (about 300; should be kept at home)
- Manuscript paper (example [here](#))
- Hard pencil case for art supplies

Optional but recommended materials:

- Backpack
- Lunchbox
- Pencil pouch
- Water bottle

## GRADE SPECIFIC SUPPLY LIST

### 2023-2024

The grade specific supply list includes items your student will need based on their grade level. This is in addition to the general supplies. **Prep does not offer a consumable bundle like many of the Archway schools.** If your student already has their recorder or any other applicable supplies from previous years, there is no need to purchase the items again; they can be used again if they are in good condition. The recorder will be used through their middle school years.
