

Safe Return to In-Person Instruction and Continuity of Services Plan (ARP Act)

Entity ID	CTDS	LEA NAME
92657	07-82-35-000	Lincoln Preparatory Academy

How the LEA will maintain the health and safety of students, educators, and other staff and the extent to which it has adopted policies, and a description of any such policies, on each of the following safety recommendations established by the Centers for Disease Control and Prevention (CDC)

CDC Safety Recommendations	Has the LEA Adopted a Policy? (Y/N)	Describe LEA Policy:
Universal and correct wearing of masks	Y	Optional Face/Mask Coverings: No messaging permitted on face/mask coverings (with exception of academy-related messages). Varied Colors and patterns are permitted.
Modifying facilities to allow for physical distancing (e.g., use of cohorts/podding)	N	Policy was discontinued when the severity of the virus was lessened to the point of other airborne illnesses.
Handwashing and respiratory etiquette	Y	Handwashing etiquette instruction completed at the beginning of school year. Handwashing signs posted in restrooms instructing students and staff on proper handwashing technique. Antibacterial soap in all bathrooms and hand sanitizer is made available to all students and staff. Proper respiratory etiquette (covering coughs and sneezes) is part of curriculum. Students are required to wash hands before eating.
Cleaning and maintaining healthy facilities, including improving ventilation	Y	Electrostatic sprayer in use upon request. Day porter cleans all frequently used surfaces consistently throughout day with antibacterial wipes. Increased airflow during the winter months.
Contact tracing in combination with isolation and quarantine, in collaboration with the State, local, territorial, or Tribal health departments	N	Contact tracing has been discontinued due to the lower degree of severity found with the latest strands of the virus. Isolation and quarantine are in keeping with our policies related to other air-borne illnesses of similar severity.
Diagnostic and screening testing	N	Staff are no longer required to get diagnostic testing.
Efforts to provide vaccinations to school communities	N	
Appropriate accommodations for children with disabilities with respect to health and safety policies	Y	All efforts will be made to accommodate children with disabilities in regards to implemented health and safety policies in the classroom. Should the student's IEP or physical or emotional well-being require it, the transfer status to Great Hearts online may be offered. Special Education and related services will be provided in accordance with students' IEPs, as is

These methods may include:</p> <ul style="list-style-type: none"> • Zoom for groups • Zoom for individuals • Phone Call <p>As well as a combination of these methods. Considerations will be made as to what method of instruction and accommodations are necessary and will provide disabled students with access to a FAPE.</p>
Coordination with State and local health officials	N	Close contacts are no longer reported to county officials.

How the LEA will ensure **continuity of services**, including but not limited to services to address **students' academic needs and students' and staff social, emotional, mental health, and other needs**, which may include **student health and food services**

How the LEA will Ensure Continuity of Services?

Regular health and safety screenings are in place as well as additional staff and observation added to help facilitate in-person learning.

Students' Needs:

Academic Needs	Internal benchmark testing is completed in the first quarter of the school year to assess gaps in grade level knowledge in both ELA and Math. Students in need are recommended for intervention services. Teachers meet bi-weekly in grade levels to identify struggling students who are also recommended for academic intervention.
Social, Emotional, and Mental Health Needs	A full-time counselor is retained for social and emotional support. Students in need are referred for counseling that primarily addresses coping skills. Local experts provide community talks for parents, students, and faculty around cultivating student resilience.
Other Needs (which may include student health and food services)	School nurses provide ongoing consultation and guidance for faculty and families regarding proper procedures for hygiene and isolation.

Staff Needs:

Social, Emotional, and Mental Health Needs	Faculty receive ongoing professional development from peer leaders within their grade levels and subject areas. Administrators routinely meet with staff in a variety of settings. Counseling support from the network is available upon need.
Other Needs	

The LEA must **regularly, but no less frequently than every six months** (taking into consideration the timing of significant changes to CDC guidance on reopening schools), **review and, as appropriate, revise its plan** for the safe return to in-person instruction and continuity of services **through September 30, 2023**
